HANDLING AND DISPOSAL

CAUTION: Do not eat. Keep materials away from face and avoid inhaling fumes.

STORAGE:

Storage should be in a place secure from access by unauthorized persons and children. Storage should be in a cool, dry area away from any heat or ignition source.

Keep container tightly sealed when not in use. Do not store in a damp or humid area; do not allow stored material to become wet. Unloading, storage and work areas must be as clean as possible to prevent contamination if spilled. If the contents are leaking or material is spilled, follow these steps:

1. Collect and place in suitable containers for disposal.
2. Wash area with water to remove remaining residue.
3. Follow with clean water rinse.
4. Do not allow run off to enter sewer or contaminate water supplies.
5. Dispose of waste as indicated below.

Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Container Disposal: Drum may be emptied of used media and recycled.
